Shakin All Over chords by Eilen Jewell

```
Em* = xx9987
                                     (E* )scale Riff (E) rhythm riff (e)single hit on E
                  Am* = xx55555
  then stop
 [Intro]
  (E*)
                  (E)
                                 (E)
                                                (E)
                                                            (E)
 [Verse 1]
                 (E) ·
When you move in right up close to me
                     (E)
                                        (E*) (E) (e) Em*tremelo
That's when I get the shakes all over me
[Chorus]
N.C.
                          Am Am
Quivers down my backbone
                                   Em* Em*
I got the shakes down my knee bone
                                  Am* Am*
                                            (e) N.C.
Yeah the tremors in my thigh bone
N.C.
Shakin' all over
[Instrumental (same as intro)]
  (E*)
                 (E)
                                                (E)
                                                             (E)
[Verse 2]
                     (E)
                                          (E*)
Just the way that you say goodnight to me
                   (E)
                                   (E*) (E) (e) Em*tremelo
Brings that feelin' on inside of me
[Chorus]
N.C.
                         Am Am
Quivers down my backbone
          Em
                                  Em* Em*
I got the shakes down my knee bone
                                  Am* Am*
Yeah the tremors in my thigh bone
Shakin' all over
(*** Drum Solo 2 bars ***)
[12 bar Instrumental]
Em Em Em Em
Am Am Em Em
                                       [Chorus]
Bm Am Em Em
                                       N.C.
                                                                Am Am
(E) (e) Em*tremelo
                                       Quivers down my backbone
                                       I got the shakes down my knee bone
                                                                         Am* Am* (e) N.C.
                                       Yeah the tremors in my thigh bone
                                       N.C.
                                       Shakin' all over
                                       [Instrumental (same as intro) ]
